

ASSESSOR CERTIFICATE (BEAR LAKE – LAKE BOARD)

I am the Assessor or Chief Assessing Official under MCL 117.3 of City of North Muskegon. In my capacity as Assessor or Chief Assessing Official, I have been provided a proposed assessment roll of the Bear Lake – Lake Board for the continuation of a lake improvement project for the purposes of nuisance aquatic plant control and other related activities. I understand that the Michigan Lake Improvement Board statute requests this certification from me.

According to my best judgment, the assessment roll conforms to what has been represented as the direction of the Bear Lake – Lake Board under the statutes of the State of Michigan. See MCL 324.30912. However, due to the Lake Board’s ability to confirm the assessment roll with changes it sees fit after a public hearing, my endorsement is solely limited to the above. Such assessment roll will be filed in the office of the clerk of each local unit of government to be affected pursuant to MCL 324.30913.
